LEGAL AWARDS 2015

International Legal Awards for Practice Excellence

LEGAL AWARDS

SETTING THE INDUSTRY STANDARD FOR PRACTICE EXCELLENCE

Corporate INTL has been running its awards for the last seven years, and we are proud to present another awards – and commemorative publication – based on our comprehensive research process.

There is regional and practice exclusivity for each category, and so a Legal Award is a significant accolade for each entrant within the publication. The inclusions themselves represent a diverse cross section of lawyers and law firms, as well as a large array of other-industry experts and consultants.

Corporate INTL is read by business and legal advisers, leaders and investors globally. Accordingly, this awards publication is launched in hard copy and e-magazine formats in order to provide maximum exposure.

See the coming pages for details of our profiled firms' and individuals' service excellence in a multitude of practice areas and jurisdictions around the world. Entrants/contributors have chosen to highlight their award wins, as well as their unique service offering(s) and expertise, through industry commentary, firm summary editorials, or advertisements.

In addition, this year's awards publication features a separate Listings section towards the back of the edition – for those firms that have chosen to highlight their accolade(s) in the form of contact details of a nominated spokesperson / award recipient.

Congratulations to each of the winners of 2015's Legal Awards.
